CONVEYANCE INSTALLATION APPROVAL BY BUILDING OFFICIAL

- This form brings to your department's attention that the conveyance listed below is proposed for installation in an existing building within your jurisdiction.
- Your approval of this form is required and must accompany the installer's Installation Application.
- Notify the installer if you have any regulations that would prohibit this installation. Do not approve this form.

***Note To Building Officials: The elevator section will approve LULA (Limited Use Limited Application Elevators) for existing buildings, on a case by case basis. A LULA elevator does meet the minimum cab size requirements for new construction required to be accessible, per WAC 296-96.**

If you have any questions, please contact us at the address or telephone number above. Indicate the equipment being installed.

- Inclined Wheelchair Lift
- Vertical Wheelchair Lift The travel shall not exceed 12 ft. ASME A18.1 Rule 2.7.1.
- Inclined Chair Lift
- Limited use/limited application (LULA) elevator *Does **NOT** meet accessibility requirements for new construction.

All conveyances must be installed per code. Any deviation from the code shall require a variance from the Department of Labor and Industries Elevator Section prior to a permit being issued.
